

THE PERILS OF PLEASURE

Hero and Heroine: Colin Eversea and Madeline Greenway

Introduces all the characters in the series and establishes the premise, and this is where you'll first hear about Lyon Redmond and Olivia Eversea

Note: you'll meet all of the Everseas and Redmonds and learn one of their very shocking secrets

LIKE NO OTHER LOVER

Hero and Heroine: Miles Redmond and Cynthia Brightly

Note: includes two scenes many readers consistently claim are among the funniest they've ever read. (a drinking game and a marble penis, respectively, are involved). A big, big reader favorite.

SINCE THE SURRENDER

Hero and Heroine: Chase Eversea and Rosalinde March

Note: Introduces Adam Sylvaine, the Vicar and hero of *A NOTORIOUS COUNTESS CONFESSES*. And puppets (yes, puppets) may play a pivotal role. :)

I KISSED AN EARL

Hero and Heroine: Captain Asher Flint (the Earl of Ardmay) and Violet Redmond

Note: a *big* reader favorite, you may wish to read this before you read *IT STARTED WITH A SCANDAL* to get to know Lavay. This was also reader's first introduction to Lyon Redmond.

WHAT I DID FOR A DUKE

Hero and Heroine: The Duke of Falconbridge and Genevieve Eversea

Note: Often mentioned one of the best romances of all time

HOW THE MARQUESS WAS WON

Hero and Heroine: The Marquess Dryden, Julian Spenser and Phoebe Vale

Notes: features what might be one of my most popular characters (who also stars in what might be one of my most popular ever scenes), a cat named Charybdis. Read ahead: perhaps all the series books. Unique in that it looks at the Redmonds and Everseas from the perspective of an outsider.

A NOTORIOUS COUNTESS CONFESSES

Hero and Heroine: Adam Sylvaine and Evie Duggan

Notes: I think if I had to marry a Pennyroyal Green hero, it would be Adam. ☺ He's an Eversea cousin who is offered the position of vicar in Pennyroyal Green. Voted Romance of the year by All About Romance Readers, Adam was chosen as best hero of the year, and selected by Just Janga as one of the Top 10 Romances of all time.

IT HAPPENED ONE MIDNIGHT

Hero and Heroine: Jonathan Redmond and Thomasina de Ballesteros

Notes: We've seen Jonathan as a young man all of these books, and here he comes into his own—and might become the most powerful Redmond of all. Read ahead of time: All the Pennyroyal Green books, if you can. It'll be more that much more satisfying to watch Jonathan become the hero. :)

BETWEEN THE DEVIL AND IAN EVERSESA

Hero and Heroine: Ian Eversea and Tansy Danforth

Ian Eversea meets his match in an American heiress.

Helps to read ahead of time: *WHAT I DID FOR A DUKE*—Ian sets that book in motion,

IT STARTED WITH A SCANDAL

Hero and Heroine: Lord Philippe Lavay and Elise Fountain

Notes: Lavay was introduced in *I KISSED AN EARL* and was enormously popular with readers.

THE LEGEND OF LYON REDMOND

Hero and Heroine: Lyon Redmond and Olivia Eversea
